

GENDER SENSITIZATION ACTION PLAN (2020-21)

The college serve the students in the region which is predominantly inhabited by people who follow the age-old matrilineal system. On account of this tradition, women's empowerment and gender equality are one of the primary concerns that the college aims to promote and improve.

Annual gender sensitization plan for the current year 2020-21 is as follows:

1. To continue with the efforts started by the Women Cell of the college by conducting workshops/ training in self defence.
2. To observe the important days both local, national and international that address the issues of women and gender equality.
3. To continue with the efforts started by the Women Cell of the college by conducting workshops, seminars or other related programs that would address the issues of women rights, crimes, health and others.
4. To set up an Internal Complaints Committee (ICC) and Prevention of Sexual Harassment Cell in the College.
5. To promote women empowerment, the college aim to start Programs that would provide the female students of the college with the necessary life skill to be financial independent.
